150180032	1	Phising Detection on LinkedIn
150180108	1	Phising Detection on LinkedIn
150190038	1	Phising Detection on LinkedIn
150190061	1	Phising Detection on LinkedIn
150200905	1	Phising Detection on LinkedIn
150150059	2	A Comparative Study of Machine Learning Techniques for Phishing Detection in URLs and Emails
150190103	2	A Comparative Study of Machine Learning Techniques for Phishing Detection in URLs and Emails
150190105	2	A Comparative Study of Machine Learning Techniques for Phishing Detection in URLs and Emails
150200707	2	A Comparative Study of Machine Learning Techniques for Phishing Detection in URLs and Emails
912400106	2	A Comparative Study of Machine Learning Techniques for Phishing Detection in URLs and Emails
150190021	3	Phishing Detection with Machine Learning
150190035	3	Phishing Detection with Machine Learning
150190049	3	Phishing Detection with Machine Learning
150190104	3	Phishing Detection with Machine Learning
150200024	4	Phishing Detection in Social Media Using Machine Learning and Blockchain Technology
150200053	4	Phishing Detection in Social Media Using Machine Learning and Blockchain Technology
150200093	4	Phishing Detection in Social Media Using Machine Learning and Blockchain Technology
150210731	4	Phishing Detection in Social Media Using Machine Learning and Blockchain Technology
150200007	5	Phishing email detection with LLM
150200029	5	Phishing email detection with LLM
150200063	5	Phishing email detection with LLM
150200102	5	Phishing email detection with LLM
150200049	6	Phishing email detection with LLM. Might either be finetuning or prompt based approaches.
150200084	6	Phishing email detection with LLM. Might either be finetuning or prompt based approaches.
150210049	6	Phishing email detection with LLM. Might either be finetuning or prompt based approaches.

150200061	7	Phishing Detection For lot Devices In Smart Cities With AI
150200065	7	Phishing Detection For lot Devices In Smart Cities With AI
150200088	7	Phishing Detection For lot Devices In Smart Cities With AI
150200110	7	Phishing Detection For lot Devices In Smart Cities With AI
150200040	8	Phishing Detection with Homomorphic Encryption for Encrypted Communications
150200081	8	Phishing Detection with Homomorphic Encryption for Encrypted Communications
150200096	8	Phishing Detection with Homomorphic Encryption for Encrypted Communications
150200101	8	Phishing Detection with Homomorphic Encryption for Encrypted Communications
150200010	9	AI-powered email phishing detection
150200013	9	AI-powered email phishing detection
150200066	9	AI-powered email phishing detection
150200097	9	AI-powered email phishing detection
150200039	10	Phishing email detection using LLM
150200104	10	Phishing email detection using LLM
150200705	10	Phishing email detection using LLM
150200738	10	Phishing email detection using LLM
150210008	11	Hybrid phishing detection using rule-based detection and ML
150210034	11	Hybrid phishing detection using rule-based detection and ML
150210112	11	Hybrid phishing detection using rule-based detection and ML
150220770	11	Hybrid phishing detection using rule-based detection and ML
150210070	12	Phishing Detection On Social Media Networks
150210728	12	Phishing Detection On Social Media Networks
820210313	12	Phishing Detection On Social Media Networks
820210322	12	Phishing Detection On Social Media Networks
150200011	13	Detecting Phishing Attacks in Emails Using Machine Learning
150210718	13	Detecting Phishing Attacks in Emails Using Machine Learning
150220765	13	Detecting Phishing Attacks in Emails Using Machine Learning
150220766	13	Detecting Phishing Attacks in Emails Using Machine Learning
150180019	14	Phishing Detection in Mobile Payment Systems
150200112	14	Phishing Detection in Mobile Payment Systems
150200917	14	Phishing Detection in Mobile Payment Systems
150220771	14	Phishing Detection in Mobile Payment Systems
150190029	15	Phishing Attack Detection on Youtube Comments/Descriptions With LLM
150190087	15	Phishing Attack Detection on Youtube Comments/Descriptions With LLM
